Join me on one of a kind tour to one of the best forests of the country. With its diverse flora and fauna, rocky terrain, dense green cover and panorama, Bandipur forms the perfect nature lovers retreat. Not only is Bandipur home to a good and increasing number of big cats, it is also home to a large number of Asiatic elephants. Infact, the highlight of Bandipur is one can view and document Asiatic elephants in their natural habitat against the mighty Nilgiri mountains in the backdrop!
